

## Training Programmes Conducted

The first course on Flood Disaster & Relief Management was conducted in this Institute in the month of January 1995. Since then till date 31<sup>st</sup> August 2011, **341** Training Programmes/Seminars/Workshops have been successfully organised by Faculty of Disaster Management and trained almost **9200** Officer/Officials of the state of Haryana. Elected Members of Panchayat, Municipal Corporation/Committees got special training in Disaster Management which were first of its kind in India as other state's ATIs had not done similar training in this regard. Training on 'Role of School Children in Disaster Management; Community Participation in Disaster Management; NGO's Role in Disaster Management were also conducted and highly appreciated. The details of the training and other disaster related activities are as follows:
